

## **Part-Time Job – Research Assistant**

Agnico Eagle Mines Ltd. and the Kivalliq Inuit Association (KIA) are looking for part-time research assistants to help conduct interviews and workshops for an Expectations and Perceptions Mapping Study.

Agnico Eagle has three active mining projects in the Kivalliq region (Meadowbank, Meliadine, and Whale Tail). The KIA and Agnico have signed Inuit Impact and Benefit Agreements (IIBAs) to monitor the impact of mining on Inuit in the Kivalliq.

The research assistants will be trained by the study consultant on interview and workshops procedures and will then be in charge of collecting information in their community (and possibly other communities in the Kivalliq).

The position may require some travel for training and for information collection. We are looking for multiple assistants and you can be based in any community of the Kivalliq.

We are looking for research assistants who:

- Are fluently bilingual in English (written and spoken) and Inuktitut (spoken, written a bonus)
- Aren't shy talking to people and leading workshops
- Are good listeners
- Are organized
- Are able to take part in the training and collect data from November 2017 to January 2018.

If you've had previous experience in research, this is a bonus!
