

PILIRIQATIGIIKTA
LET'S WORK TOGETHER

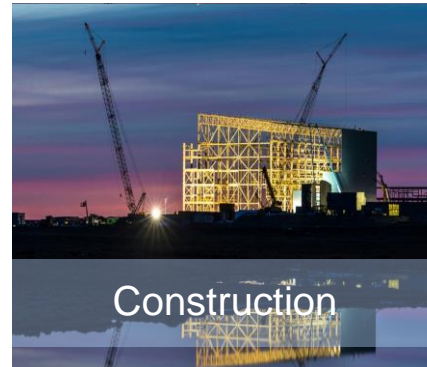

AGENDA

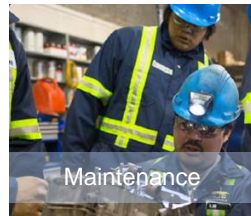

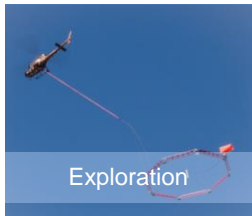

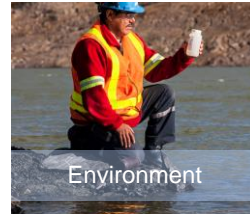

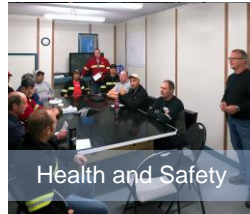

- Northern Mine Operations: so much more than mining!
- Starting a business
- Potential business opportunities for entrepreneurs and start-ups
- Contract tailoring
- Ask Agnico Eagle

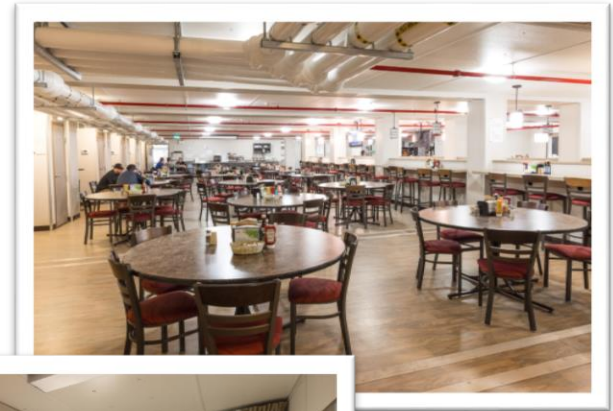

MINING: WHAT COMES TO MIND?

MINING: THE REALITY

MINING IN NUNAVUT: SO MUCH MORE THAN MINING!

MINING IN NUNAVUT: SO MUCH MORE THAN MINING!

MINING IN NUNAVUT: THE CHALLENGE

The challenge: goods and services are often not readily available

AGNICO EAGLE SUSTAINABLE DEVELOPMENT

- We aim to contribute to the social and economic development of sustainable communities associated with our operations. We support local communities and their sustainability through measures such as development programs, **local sourcing of goods and services** and employment of local people.
- Effective, ongoing partnerships with Inuit Firms and communities in the Kivalliq region are **important for the successful development and operations of our projects**. Agnico Eagle has established clear principles that guide our approach to procurement, which are designed to **enhance opportunities for Inuit Firms** and communities to benefit from our projects.

AGNICO EAGLE

STARTING A BUSINESS

WHAT IS A BUSINESS?

- An organization **where goods and services are exchanged** for one another or for money
- Every business requires some form of **investment** and enough **customers** to whom its output can be sold on a **consistent basis** in order to make a profit

Ways for businesses to benefit from Agnico Eagle projects

1. **Direct Supplier:** pre-qualify and supply a service or good **directly** to Agnico Eagle
2. **Business (non-supplier):** a business that may not directly supply a service or good to Agnico Eagle, but can benefit **indirectly** from the Operations

**POTENTIAL IDEAS FOR INUIT
FIRM START-UPS**

POTENTIAL IDEAS FOR START-UPS:

Painting Business

- Repainting hallways and offices
- *What you'll need:* manpower, painting supplies, paint could be procured by company or supplied by site

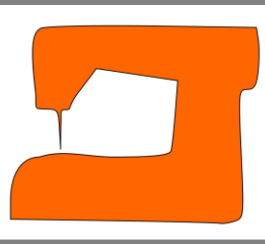

Signage Printing Business

Printing and supplying signs for roads, buildings, etc.

What you'll need: Digital printer and facility space, a computer, computer and design skills

Work Clothing Repair

- Repairing coveralls, boot covers, and other work clothing
- *What you'll need:* sewing equipment and a facility (1 sewing centre) or administration (multiple sewing facilities)

Surveying

Surveying manpower for exploration or operations

What you'll need: GPS/total station equipment and survey college/university degree

Light Vehicle & Small Engine Repair

What you'll need: car workshop, mechanics or mechanical skills

POTENTIAL IDEAS FOR INUIT FIRM START UPS

- If you are looking for more ideas, here are some options:
 - Consult the **Categories List** on www.aemnunavut.ca. The Categories List has all the categories of work that Agnico Eagle contracts.
 - You can ask us to know which contract categories may not yet have Inuit firm suppliers (strategic.procurement@agnicoeagle.com)
- Also consider:
Developing branches: Agnico Eagle is connected by road to Baker Lake and Rankin Inlet, therefore there are opportunities to create branches of businesses in these communities

AGNICO EAGLE

CONTRACT TAILORING

CONTRACT TAILORING

- What is **tailoring**?
Modifying a planned scope of work for a contract which results in **smaller feasible** scopes of work which would encourage Inuit Firms to successfully participate in the tendering process (IIBA)
- Agnico Eagle is always looking for ways to tailor contracts to include Inuit businesses and welcomes input from the supplier and entrepreneur community
