11-08-2022	Meeting with Catherine Mourot - Discussion for TASK WEEK 2	The TASK Week is an event organized by the Baker Lake high school and Agnico Eagle in order for students of senior students to experience, during 4 days and a half, one trade with the help of a teacher and a trade specialist. The purpose is to give them the opportunity to have a concrete idea of the different trades available and try one, helping them take decisions on their future career. The 4 days 1/2 training they follow is also credited (approved) by GN Education. Purpose: Discuss what were the expectations of the IASS for 2023 for the TASK WEEK and to explain that we may not have as much resources to lead the organization of the event for 2023 so we'd like to find solutions with them in order to make it happen, understanding the changes in our staff structure. Outcomes: We have shared roles and responsibilities and set another meeting for December in order to come back with a more concrete plan for 2023.	Nunavut	Meeting	Jonah Aminnaaq Secondary School	Baker Lake, NU, CA (City)	
11-09-2022	Promotion of Mining and Career Day in Baker Lake	Purpose: Event organized by Agnico Eagle in order to promote and inform the community members about mining, our operations and the career opportunities. It is also an opportunity to have two-ways communication with the community members and learn from them.
