PURPOSE

Agnico Eagle Mines Nunavut Operations is committed to the social and economic development of sustainable communities in the Kivalliq and to be an active member of our communities. One of the ways we do this is by contributing to a variety of programs and organizations that enrich the lives of our neighbors.

Agnico Eagle demonstrates this commitment by supporting events and causes that:

- Support initiatives with an Environmental focus (Avativut).
- Promote Inuit Culture and Tradition (Tunnganarniq) (fostering positive relationships by being open, welcoming and inclusive): this includes events and causes that promote a sense of community such as community feasts, music festivals, family days and much more.
- Development/Capacity Building: Involve Qanuqtuurungnarniq and Pilitiqatigiingniq (being resourceful and innovation to solve problems and working together) to build capacity within communities for a self-sustaining future.
- Well-being (Inuuttiarniq): Foster community wellness by encouraging a healthy and active lifestyle.
 Projects related to sporting events for youth, traditional games and activities, recreational events, mental health and food security are all welcome.

Note that our funding objectives are flexible to consider the specific needs and priorities of communities
