Diagram illustrating the interconnectedness of various factors influencing reindeer herding, centered around a reindeer silhouette. The factors are represented by circular icons and connected by a network of lines:

- Temperature (Thermometer icon)
- Hunting (Crosshair icon)
- Disease (Microbes icon)
- Predation (Wolf icon)
- Weather (Cloud and Rain icon)
- Climate Change (Target icon)
- Land Use (Map icon)
- Food (Plate icon)
- Water (Water Drops icon)
- Snow (Snowflake icon)
- Herd Management (Reindeer icon)
- Hunting (Crosshair icon)
- Disease (Microbes icon)
- Temperature (Thermometer icon)
