AGNICO EAGLE

## Agnico Eagle aims to contribute to sustainable economic development to benefit the greatest number of Inuit.

We do this by supporting business development with workshops, assistance and entrepreneurial training to facilitate the access of Inuit and Inuit Firms to business opportunities on our Kivalliq Projects.

The Agnico Eagle Business Ikajutiit Program consists of **6 months support** including **7 days of one-on-one sessions** to develop skills and answer businesses needs.

**Five (5) spots are available** to receive this personalized business support.
